

Support Educational Opportunities for Our Community's Youth

The Spanish-American Church has been serving the Boyle Heights and surrounding Communities since 1911.

Annual Walk for Education

The Walk for Education will continue to support a number of educational programs and scholarships.

Annual Back to School Night

Kids in attendance receive **FREE school-supplies** in the month of August. Fun activities are planned by our youth for K-8th grade school students.

Mentoring Groups

College students and University Graduates mentor High school students to guide them through their higher education.

Teen Preparation Courses

Educational presentations are offered throughout the year to High School Students in preparation for college. Courses include financial aid, resume writing, available scholarships among others.

Education Offering

In a continued commitment to support Christian Education, a special offering will take place in the month of **December, 2011**. Your donation will help all students attending Seventh Day Adventist Schools.

Annual Graduation Program

12th Grade Students receive some assistance with expenses for costs associated with their Graduation.

I want to get started NOW providing educational opportunities for students in our community. I approve of, and look forward to the events and programs the Spanish American Church has planned to raise education funds for deserving students of all ages this year!
